PROFILE

Motivated and detail-oriented Information and Communication Technology (BICT) undergraduate with a strong passion for UI/UX design and creating intuitive, user-centred digital experiences. Skilled in Figma, wireframing, prototyping, user flow design, responsive UI design, and usability principles. Experienced in developing academic and personal design projects, transforming ideas into clean, functional, and visually engaging interfaces. Passionate about solving user problems through thoughtful design while continuously improving my design and technical skills.

EDUCATION

University of Colombo - Faculty of Technology

2024 - Present

Bachelor of Information and Communication Technology (Hons)

Focus: UI/UX, Interaction Design, Web Development.

J/Velanai Central College

2020 - 2022 /2023

GCE Advanced Level (Bio-Systems Technology)

2AB, Z-Score: 2.044

E-CITY Academy

March 2023-September 2023

Diploma in English

CERTIFICATIONS

Simplilearn - Project management 101

UniAthena - Basic of python

University of Moratuwa - Python for Beginners

HP LIFE- Agile Project Management Certifications

Saylor University- CS101: Introduction to Programming I

PROJECTS

Elite Hotel Reservation and Management System (Group Mini Project – Project Leader)

- Led the development of a hotel reservation and management system. Contributed to backend development, database management, API integration, Postman API testing, and SRS documentation.
- Technologies Used: React.js, Tailwind CSS, Node.js, PHP, PostgreSQL, Postman.

UI/UX Design Projects (Figma)

- Designed an interactive learning prototype (**Learn Basic Computer Parts**) with quiz and structured learning screens.
- Created a mobile To-Do app UI (**TaskMade**) including login, signup, task management, and profile screens using Material Design principles.
- Designed 8-screen mobile study planner prototype (**StudyMate**) for organizing study plans, notes, and learning progress using Figma.

- Designed a smart sustainability mobile app prototype (**EcoTrack**) with activity tracking, eco challenges, impact monitoring, and progress visualization using Figma.
- Designed a complete desktop (**Plantify – Plant Care Website**) UI/UX in Figma with multiple screens, reusable components, interactive prototypes, and animations.

Responsive Business Websites – Blooming flower shop & Brew Haven coffee shop websites

- HTML, CSS, JavaScript
- Developed responsive flower shop and coffee shop websites with product catalogs, interactive cart functionality, and contact pages.

SKILLS

Technical:

Python, JavaScript, C, SQL, MySQL, HTML, CSS, Web Development

UI/UX Design & Multimedia:

Figma, Wireframing, Prototyping, User Flow, User-Centred Design, Usability Testing, Responsive UI Design, Design Systems, Graphic Design.

Logo Design.

Tools:

GitHub, VS Code, Postman, Figma, Adobe illustrator, Canva, Framer, PostgreSQL.

Soft Skills:

Teamwork, Leadership, Communication, Time Management, Critical Thinking, Problem solving.

LANGUAGES

Tamil: Native

English: Intermediate

Sinhala: Basic
